ABOUT US

Vine Homecare & Staffing has been committed to excellence in home care and healthcare services since 2002. Our priority is always for the health and safety of our patients. Our team of skilled nurses, para-professionals and other healthcare professionals are confident in caring for patients in various age groups and with a broad range of conditions.

Customized Care for Individual Needs

Vine Homecare & Staffing specializes in managing all of your in-home health needs. Our services are designed to ensure continuity of care in the comforting surroundings of your home.

Whether you are recovering from surgery, illness, or managing a disease, we are here to provide nursing care, rehabilitation, and support services in the comfort of your home.

Our goal is to develop an individualized plan of care, under the direct supervision of a physician and return our patients to a life of medical independence as quickly as possible.

OUR MISSION

To provide comprehensive homecare services to our clients by creating strong partnerships with their families, case managers, discharge planners and physicians. We believe in creating a team of caring professionals whose goal is the care and support of our clients.

Vine Homecare and Staffing offers the following services:

Medical Staffing

We provide staffing for Assisted Living, Nursing Homes, Rehabilitation Facilities, and Hospitals.

OUR STAFF MAKES THE DIFFERENCE

Vine Homecare & Staffing office operates in accordance with the highest industry standards. All caregivers are fully bonded and insured; and undergo thorough interviewing, testing, and screening prior to employment. Furthermore, caregivers are regularly supervised and evaluated by clinical management to ensure that Vine's high standards are met.

Starting Care With Us

If you, a loved one or someone you know is in need of home health care services, call us to speak to a nurse or case manager. We will discuss your options and work to assign the most qualified and compatible caregiver. We understand that each individual's healthcare requirements are unique, that is why we assign only the most qualified, compatible caregivers to meet your specialized needs.

For your convenience, Vine Homecare & Staffing representatives answer phone calls 24-hours per day. Registered Nurses (RNs) are also available 24-hours a day, 7 days a week to answer questions, handle emergencies, and admit new patients. We take pride in the quality and availability of our personnel.
